MEMBER INFORMATION

THE RAM CLUB

The **RAM CLUB** is the fundraising arm of the athletic program at Bluefield College. The

primary mission of the **RAM CLUB** is to provide athletic scholarships for student-athletes who may not otherwise be able to attend Bluefield College. We truly believe that participation in Bluefield athletics is a unique and life-changing experience.

Contributions to the **RAM CLUB** go directly to athletic scholarships for Bluefield College students and are distributed across all varsity sports. Without donor support for scholarships, Bluefield College would not be able to attract the quality athletes it needs to compete in NAIA intercollegiate play.

As a member of the **RAM CLUB** you will share in the victories won both on and off the field as our student-athletes are afforded the unique athletic experience that Bluefield offers. Added benefits are described on the next panel; however, a more important benefit is knowing that you are providing scholarship assistance and support for the young men and women who compete for BC.
